Item 8.01 Other Events

On December 9, 2015, Curtiss-Wright Corporation (the “Company”) adopted a written trading plan under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Company implemented this written trading plan in connection with its share repurchase program, which was authorized by the Company’s Board of Directors and announced on December 9, 2015. Purchases under this written trading plan will not be effected before January 4, 2016.

Adopting a trading plan that satisfies the conditions of Rule 10b5-1 allows a company to repurchase its shares at times when it might otherwise be prevented from doing so due to self-imposed trading blackout periods or pursuant to insider trading laws. A broker selected by the Company will have the authority under the terms and limitations specified in the plan to repurchase shares on the Company’s behalf in accordance with the terms of the plan. After the expiration of the current trading plan, the Company may from time to time enter into subsequent trading plans under Rule 10b5-1 to facilitate the repurchase of its common stock pursuant to its share repurchase program.

Information regarding share repurchases will be available in the Company’s periodic reports on Form 10-Q and 10-K filed with the Securities and Exchange Commission as required by the applicable rules of the Exchange Act.

This report contains forward-looking information, as that term is defined under the Exchange Act, including information regarding purchases by the Company of its common stock pursuant to a 10b5-1 trading plan. By their nature, forward-looking information and statements are subject to risks, uncertainties, and contingencies, including changes in price and volume and the volatility of the Company’s common stock; adverse developments affecting either or both of prices and trading of exchange-traded securities, including securities listed on the New York Stock Exchange; and unexpected or otherwise unplanned or alternative requirements with respect to the capital investments of the Company. The Company’s 2014 Annual Report on Form 10-K filed with the SEC on February 19, 2015, includes information regarding other risk factors and cautionary information. The Company does not undertake to update any forward looking statements or information, including those contained in this report.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
